Tax on cement production

†1183. SHRI RAVI SHANKAR PRASAD: Will the Minister of COMMERCE AND INDUSTRY be pleased to state:

(a) whether it is a fact that there is heavy tax on cement production;

(b) if so, the stages of production on which Government realize tax and cess alongwith the rates thereof;

(c) whether it is also a fact that Government's attention has been drawn to reduce the rate of tax; and

(d) if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY (SHRI E.V.K.S. ELANGOVAN): (a) to (d) There is no stage-wise tax on the production of cement. Inputs like limestone, coal and power used in the production of cement are subject to payment of royalty and duty on power tariff. Royalty on limestone and coal at the rate of Rs. 60/- and Rs. 20/- per tonne respectively is fixed by the Centre and revenue is collected by the State Governments. Duty on power tariff is fixed and collected by the State Governments and varies from State to State. Besides these, excise duty, sales tax and octroi are imposed on the final product. Excise duty at the rate of Rs. 400 per tonne of cement is imposed and collected by the Centre. Sales tax and octroi are imposed by the State Government and their local municipalities respectively and also vary from State to State.
